

2015 SUMMER YOUTH TRAINING INSTITUTE

January 20, 2015

Dear Ministers, Elders, Youth Workers:

We're very pleased to announce the School of Religious Studies 2015 **SUMMER YOUTH TRAINING INSTITUTE** will be conducted June 15-19 for ages 8-16. The theme is:

“Building Something Great!” Luke 4:18-19

Building a Great “**S.T.A.N.D.**”.

What is the SYTI?

What should parents and students expect during the week?

How will our youth benefit from participating in the program?

What kind of supervision is provided?

These are just a few of the questions you may have concerning the program. We'd like to contact you in the near future to arrange a date, preferable a Wednesday night, to visit your congregation, or feel free to call us.

We will begin in March scheduling a 10 minute presentations at congregations in the Greater Little Rock area and surrounding cities. Other cities will be included as invitations are received. We have experienced great success from our visits.

Thank you for your support and cooperation as we seek to help our youth grow up and go forward. We couldn't do it without you.

With highest regards

Harold Smith
