Solidifying your Finances

*Nothing works without the
“Main Ingredient”*

“CHRIST”

Mathew 6:19-20;

Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal.

Mathew 6:21;

For where your treasure is, there your heart will be also.

Financial Stability starts with Prioritizing your Resources:

Priority #1: Be gainfully employed or have a steady stream of income, For even when we were with you, this we commanded you: that if any would not work, neither should he eat. 2 Thessalonians 3:10.

Priority #2: Give God his first, you should give the provider his portion based on scriptural demand. The bigger the harvest the LORD gives you, the bigger your gift should be. (Deuteronomy 16:17)

Priority #3: Take care of your responsibilities first (food, clothing, shelter), But if anyone does not provide for his relatives, and especially for members of his household, he has denied the faith and is worse than an unbeliever. 1 Timothy 5:8.

Priority #4: Save for a rainy day...you should always have at least 6 months of expenses saved. Genesis 41:36 ³⁶ And that food shall be for store to the land against the seven years of famine, which shall be in the land of Egypt; that the land perish not through the famine.

Two (2) Basic Principles:

The Time Value of Money – The time value of money is the concept that money available at the present time is worth more than the identical sum in the future due to its potential earning capacity (a dollar in hand today is worth more than a dollar promised at some time in the future).

Compounding – The process of accumulating interest on an investment over time to earn more interest.

Matthew 25:14 - 30
